.....

The proposals for the Budget Estimates 2013-14 approved by Vice-Chancellor, Dr. Y.S.R. Horticultural University.

2. The Budget Estimates for the financial year 2013-14 containing the details of Pay and Allowances, Contingencies, Common Expenditure, Works etc., are communicated to the Officers noted in the address entry.

3. The Associate Deans of Colleges/Principals of Polytechnics/Heads of Research Stations and Schemes shall incur the expenditure from the provisions made in the Budget Estimates for 2013-14, provided the following two conditions are satisfied.

- The expenditure must be sanctioned by an order of the authority competent to sanction such expenditure and
- Sufficient funds must have been provided for the expenditure in the Budget for the current financial year.

4. The above two conditions are independent. They must always ensure that both the conditions are satisfied before they incur any expenditure from the university funds.

5. At the same time, it must be noted that mere provision will not permit to incur the expenditure without proper justification.

6. The Budget allotted under State Plan shall be incurred in a proportionate manner by observing quarterly regulation except in the case of labour wages, telephone charges, electricity and water charges, cultivation expenses, vehicle tax, insurance. The Assistant Comptrollers should follow the quarterly regulation of expenditure while admitting the bills.

7. In respect of provisions made under Plan, Government of India, Other Agencies, Departmental Sponsored Schemes, NAIP, KVKs, NABARD, the Associate Deans of Colleges, Programme Co-ordinators of KVKs Principals of Polytechnics and Heads of Research Stations and Schemes etc., are requested to invariably obtain concurrence of the Comptroller before incurring the expenditure.

8. The proposals for sanction of expenditure beyond the powers of Associate Deans/Principals/Heads of Research stations and schemes, programme coordinator of KVKs should be sent to the University duly enclosing the prescribed proforma (copy enclosed) after filling up the columns, in the absence of which the proposals will not be considered.

P.T.O.

10. All the Estimating Officers are requested to note that, sufficient provisions have been made under all the Head of Accounts after taking into consideration the proposals submitted by them in consultation with the Deans, Directors etc. Hence, it may be noted that proposals for provision of any additional funds under any head will not be entertained during the financial year 2013-14 under any circumstances. They are also informed that they should not come up with proposals for re-appropriation of funds from one sub-head to another simply because of availability of savings, particularly from out of the savings available under the sub-heads 'Labour wages, Vehicles tax, Insurance and Recurring Contingencies to Non-recurring contingencies and vice-versa'. It may also be noted that any proposals or re-appropriation will be examined thoroughly and will be attracted by Audit for excess estimation by the Estimating Officer and he will be held responsible for such higher estimation in Budget Estimates 2013-14.

11. The Estimating Officers are further informed that the ICAR, GOI, Zonal Project Directorate, KVK, have so far not communicated sanctions in respect of certain schemes financed by them for 2013-14. Therefore, the provisions towards pay and allowances and contingencies in respect of ICAR/GOI schemes etc., are made based on the previous Revised Estimates for 2012-13, presuming that those schemes will continue, pending receipt of sanction orders of the schemes during the year 2013-14. Hence the concerned Heads of schemes are requested to pursue vigorously and obtain specific sanctions from the funding agencies at an early date.

12. All the Associate Deans of Colleges/Principals of Polytechnics/Heads of Research Stations and Schemes, programme coordinators of KVK's and all other Heads of Offices etc., are requested to strictly adhere to the instructions detailed above.

13. The Budget Estimates for 2013-14 is available in University website: www.drysrhu.edu.in.
